Alok Roy Chowdhury, Rabindranath Tagore Bengali Gaane, locally called Bangla Gaan, consists of a long tradition of secular and religious song writing for over a thousand years. Bengali Songs comprises a wide variety of styles. Bangla Gaan is famous around the world for its beautifully scripted lyrics and melodious tunes. And this is not all, Bengali Music Industry has some amazing and thoughtful writers and composers which contribute greatly to the industry. Bengali Music Industry has some great poets and writers, who have contributed their words for the country since a very long time. It would amaze you that the early Bengali music was greatly influenced by the Sanskrit Chants and later evolved under the influence of the Vaishnav Poetry. Bengali Songs were earlier focussed on devotional songs, that is the reason why they are so melodious. Listening to Bengali Songs gives you another level of peace and tranquility, the one that is never felt before. Bengali Gaan has the charm that once you listen to their melodious tune, you cannot stop humming them for days. With the introduction of Tollywood, or the Bengali Film Industry, the shift has now focussed from producing just melodious songs to producing songs which have good beats too. Some of the Latest Bengali Songs which you simply cannot ignore are Faqun Haway Haway, Bolini Tomay, Pujo Elo, Aaj Baaja Tui Dhaak, Elo Re Dugga Elo Re, Anmona, Ashlo Uma, Bohurupe, and many more. Bengali Songs are famous worldwide because of these legends who composed great melodious songs namely, Geeta Dutt, Asha Bhosle, RD Burman, Kumar Sanu, Alka Yagnik and many more. With these legends being famous in our hearts forever, walking on their path are some new singers which have ruled not just Tollywood, but other industries as well. Bishakh Jyoti, Kunal Biswas, Joy Sarkar, Jayanta Roy, Monica Basu, Ritika Sahni are to name a few. We, at Gaana, have a list of Latest Hit Bengali Songs for the people who love to listen to these melodious tunes. The list comprises new Bengali Song releases which have just hit the industry.
